To ALL NIAAA Members,

The National Interscholastic Athletic Administrators Association has selected the Stephen Siller Tunnel to Towers Foundation as the 2020 Initiative. The Tunnel to Towers Foundation honors our military and first responders who continue to make the supreme sacrifice of life and limb for our country. They do this in memory of FDNY firefighter, Stephen Siller, who laid down his life to save others on September 11, 2001.

The Tunnel To Towers Foundation provides the following national programs to assist our military and first responders:

**SMART HOME PROGRAM** - *The Foundation builds specially-adapted mortgage-free smart homes that enable our most catastrophically injured veterans to live more independent lives.*

**FALLEN FIRST RESPONDER HOME PROGRAM** - *The Foundation fulfills the debt on homes of firefighters and police officers killed in the line of duty, giving the security and stability of a mortgage-free home. The Foundation has also made significant financial contributions to assist countless first responder families in need.*

**GOLD STAR FAMILY HOME PROGRAM** - *Honors the legacy of those who made the ultimate sacrifice while serving our country. The Foundation provides mortgage-free homes to surviving families with young children.*

Working together the NIAAA is driven to serve. Please join us in making a difference with our national initiative by encouraging all members to either contribute or to conduct community service fundraising efforts.
