THE OFFICIAL PUBLICATION OF THE MICHIGAN HIGH SCHOOL COACHES' ASSOCIATION

Issue: IV

March 2020

Rich Tompkins MultiSport Athlete Award Scholarship for the "Best of Nominations EXTENDED: Open 15 March – Close 30 April

Nominations for the 2020 Multi-Sport Athlete Award will once again be taken through a Google Form.

That form will be available to accept nominations on 15 March. Nominations will close on 30 April.

As before, the requirements for recognition as an MHSCA, Rich Tompkins Multi-Sport Athlete Award winner are that the athlete participate in a school sponsored athletic sport in each of the three seasons (Fall, Winter and Spring) and in each of their four high school years (9th, 10th, 11th and 12th).

Also, as before, each school is eligible to nominate one male and one female athlete

Google Form changes for 2020

There are now **two stages** of the form. All Nominators (AD or principal) will complete the first stage.

Stage one: In stage one the form will collect contact information for the Nominator, the School and the Nominee.

The first stage will also record the sports in which the nominee/athlete has participated during each of their Fall, Winter and Spring seasons and for each of their four high school years - 9th, 10th, 11th and 12th.

Those student-athletes who meet the three seasons - four years requirement will receive a certificate recognizing their accomplishment.

When stage one of the nomination form is complete, the nominator will be given the option to submit the form or to continue with

the second stage:

If the nominator believes their nominee may be one of the Best of the Best likely to be nominated for the award they will continue to stage two.

Stage two: Stage two of the nomination form will collect the nominee's GPA and SAT/ACT test scores. It will ask if the student/athlete has been honored with any team award; any All-Conference, Area, District or Region Award and any All State award during their Fall, Winter and/or Spring Sports.

The form will ask if the athlete has participated in other school activities, held leadership positions at school or as a team captain and if they have

participated in community service activities.

Once stage two is completed, the nominator will submit the form.

The nominee will then be considered for the best for their gender and class in the State of Michigan.

This year's *Best of the Best* will be presented at a plaque recognizing their accomplishment and a scholarship check for \$250.

Presentations will be made at spring sports event or a senior event at their school.

KEEP THEM HYDRATED, KEEP THEM SAFE

5 TIPS TO HELP ATHLETES STAY HYDRATED

- 1 KEEP HYDRATION TOP OF MIND**
 - Remind athletes to check their urine color before practice. If it's the color of pale lemonade, that's a sign of being hydrated.
 - Take weather into account and give athletes opportunities to drink during practice.
 - Teach athletes to pay attention to how they feel, including their thirst and energy levels.
- 2 KEEP FLUID LEVELS UP**
 - Athletes should drink enough fluid to maintain hydration without overdrinking.
 - Flavored, cold, lightly salted sports drinks like Gatorade® Thirst Quencher are important, because sodium helps maintain the athlete's desire to drink and retain the fluid consumed.
- 3 KEEP THE BODY COOL**
 - Remind athletes to drink cool fluids to help maintain their body temperature.
 - If your athletes experience heat illness, help them lower their body temperature by laying them down in a cool place with their legs elevated, applying cool, wet towels to their body and having them drink cool fluids.
- 4 KEEP HYDRATED BEFORE, DURING AND AFTER ACTIVITY**
 - Athletes need to think about their entire athletic schedule when it comes to fueling (not just when they are competing).
 - Encourage them to drink plenty of fluids throughout the day to replace the fluids lost through sweat.
- 5 KEEP A RECOVERY SCHEDULE**
 - Rest and recovery are an essential part of avoiding heat illness.
 - Ensure your athletes have time for breaks during practices.
 - Encourage athletes to get 6-8 hours of sleep each night in a cool environment if possible.

THE EFFECTS OF DEHYDRATION:

- DECREASED PERFORMANCE
- DECREASED FLUID ABSORPTION
- DECREASED MENTAL FUNCTION
- DECREASED TOLERANCE TO HEAT
- DECREASED MOTOR SKILLS

THE SYMPTOMS OF DEHYDRATION:

- NAUSEA
- FATIGUE/EXHAUSTION
- LIGHT-HEADEDNESS
- HEADACHE
- LOSS OF MUSCLE COORDINATION
- VOMITING
- WEAKNESS
- DECREASED PERFORMANCE
- POOR CONCENTRATION/ALTERED MENTAL STATUS

March Newsletter from the

Greetings from Iowa where spring has peeked it's head out a little early. I would like to say it's a sign of things to come but I know better than that. I'm sure Mother Nature will let us know she is in charge. Regardless, the nicer weather and melting snow does bring with it the buzz of spring sports. The winter season has flown by and those sports have just finished up or are in the home stretch. Best of luck to those of you still going!

The executive committee was not able to meet at the usual time but with the later date of the convention we will be meeting in June and look to put the finishing touches on what looks to be a fantastic convention. Darin and his board do an absolutely amazing job! Sport chairs, please continue to work very hard to contact and assist your finalists in registering for the convention and any other needs they may have. We do a great job making this an easy, comfortable, and once in a lifetime experience for them.

Hall of Fame committee members continue doing the same great work you do with the inductees, creating a seamless experience as well. It can be a frustrating job but its importance can't be overstated! Here is the link to access all convention information including the schedule <https://www.hscoaches.org/summer-convention>. Please check it out! Board members, if you have registered yet, please do so soon.

I recently completed my part of scoring applications for national coaches of the year. What a humbling experience to see the coaching career of so many outstanding coaches laid out in front of you. Some of the records and accomplishments are simply amazing. At the same time, I was struggling with a disappointing season coming to an end.

I began to ask myself what makes a good

coach. Wins? Championships? Program development? Getting the most out of your team/athletes? Making an Impact on lives? I think most people would say all of those things. Most coaches would be thrilled finding success in terms of wins and losses AND making a difference in the lives of their athletes. The unfortunate reality is wins and losses define a good or bad coach. Even service-based awards ALWAYS list the record and accomplishments of the coach. We all know a great coach goes far beyond X's and O's and wins and losses.

My mind then shifted to just how hard it is to coach today. Coaches don't seem to last like they used to. The pressure, time, commitment inside and outside of the season, stress put on marriages and families, and yes, parents, seem to be too much for a growing number of

coaches to overcome. Things like social media, sport specialization, AAU, and coaches not being teachers, contribute to coaching becoming more and more complicated. I did some research and couldn't find any national data but did find a number of states and particular areas where the turnover of coaches is rising. In some places the turnover of coaches is comparable to that of college coaches.

For many years the previous generation of coaches guided and mentored the next generation. We are losing this connection more and more each year. As veteran coaches retire and younger coaches leave the profession earlier, young coaches are left with fewer and fewer mentors. In an interview, a high school coach remarked, "It [coaching] might not be as rewarding as some people want it to be, it takes a lot of pieces to put a program together. Without the necessary support, it can be a lot to deal with."

Enter NHSACA and to my point. If you look at our mission we pledge to educate, support, and recognize coaches. We also commit to 'promote professional growth, and attitude of teamwork, sportsmanship and healthy lifestyles for Athletes, Coaches, and Athletic Directors.' This mission is more important than ever as the role of 'coach' is ever changing and evolving.

I'm proud we do all of these already. We do so many great things and should be excited about the direction we are going. Because of the tremendous leadership and hard work in the past we have created some exciting partnerships, grown our membership, and are in a great spot financially. As we move forward in the coming years we have the opportunity to continue our mission, expand our reach, and be the difference to more and more coaches. I'm excited when I think about where we are and where we are headed!

Yours in coaching, Justin Davie

History of the MHSTeCA

In 1976 Bob Wood realized that there was a definite need for an organization through which coaches could improve their coaching and quality of their teams.

He first set out by sending 400 letters to all schools with tennis programs in the state and received in return a substantial number of positive responses for establishing an association of tennis coaches.

He then contacted Warren McKenzie, assistant director of the MHSAA in charge of tennis, to map out the state into five districts.

Subsequently, he appointed Charles Partin of East Grand Rapids as president, Bob Quinn of Saginaw MacArthur as first vice-president, Sandy Peterson of Portage Northern as second vice-president, and personally assumed the role of secretary/treasurer.

District committees were formed, directors and assistant directors were named, and the organization was formally founded in 1976.

Its first summer meetings were held at Houghton Lake in July, 1977.

With the group now established, Wood began to organize the first of many highly successful coaches clinics in February, 1977, at East Detroit. Brian Eisner, mens varsity coach at the University of Michigan, and the late Ian Laver, a teaching pro from Delray Beach, Florida, were featured as the main speakers at Eastpointe, which attracted 126 coaches that first year.

Bob was encouraged by the positive comments and words of appreciation for his mighty efforts. With this initial thrust into the clinic business, Bob Wood with the assistance of Gary Bodenmiller of the Grosse Pointe Indoor Tennis Club has since developed innovative ideas which have made our Michigan Workshop one of the very best clinics in the entire nation.

Associations Updates:

Basketball – No Report

Bowling – Dave Kowalski: Past two days was the state finals. Awards banquet March 28th in Sterling Heights, Bowling is growing – with the loss of bowling centers it is difficult to run regional sites. Teams are made up of 7 members per team, Individuals are 6 per team. Wish to go to 5 divisions to help balance rosters. Wish to move to a baker game to higher team status by eliminate a team game to increase the baker format.

Competitive Cheer – Heather Prentice: Just finished state meet. Are looking for budgets and look at treasury. Sport is still growing with middle school and varsity up.

Football – Larry Merx: Strength of schedule seeding. Dream Team at Clinic. Unsigned seniors showcase. In the process of endowing the promotion of football. Hall of Fame last night.

Golf – Debbie Williams-Hoak: Dan Skaska received his 50th year award at the Hall of Fame banquet. Boy's golf starts on Monday. MHSAA has asked for best practices for each regional to allow for consistency across the state. Live scoring is an option for teams. Regionals and States will have live scoring required. Year two of new rules – working with local rules of out of bounds.

Gymnastic – John Cunningham: Regionals last week, State Finals next week. 13th team can also qualify for state if it is the best team over 140+ pts or more. Always a concern with finding a proper host for the state meet. Coaches and judging shortages are very apparent.

Men's Lacrosse – Mike Jolly: First Hall of Fame banquet was held. What is the purpose of the physical membership cards. Seeding has been going well for tournaments.

MITCA – Steve Porter: Second Clinic of season is Track. About 700 coaches attend. Still offering the reduced price for first clinic. Increase exchange zone for relay. Double water fall for starts of distance runners-which effects the cut in.

MICHIGAN HIGH SCHOOL COACHES ASSOCIATION/GATORADE 15/20/25/30/35/40/45/50 YEAR COACHING SERVICE AWARD

GENERAL REQUIREMENTS:

- The candidate must have distinguished himself/herself with good coaching ethics and promoted good sportsmanship throughout his/her coaching career. *The AD or principal's signature confirms this.
 - Ten (10) years of coaching outside of the state of Michigan may be applied to the application.
 - Coaching at any level may be applied as long as it is a school sponsored interscholastic sport. A maximum of ten (10) years may be allowed for coaching at the collegiate level.
 - To receive a general coaching certificate the candidate must have been coaching at least one sport per year at any level for the requested number of years.
 - To receive specific certificates for a single sport the candidate must qualify for the specified number of years in that sport. This can be at any level. You cannot however count more than one level or season for a sport in any one year. For example, coaching both boys' and girls' basketball during the same school year counts as "1" year; coaching both 7th grade boys and JV boys during the same school year counts as "1" year.
- Awards for 30 years and more will have the sports that the candidate coached listed on the plaque. The coach will be presented only one award for each level of service after 30 years.

Michigan High School Coaches Association Distinguished Service Award is one of our highest awards for services and contributions to sports in the state of Michigan.

The MHSCA Distinguished Service Award:

MHSCA recognizes individuals and organizations who have provided extraordinary service to educational athletics, the advancement student athletes, coaches, or those who serve interscholastic athletics through its Distinguished Service Awards.

The Distinguished Service Award (DSA) is given to a person (or persons), either volunteer or staff, who have exhibited valuable professional service (within the MHSCA or among its association membership) including academically, supportive, service, or assistance distinction at any level of interscholastic athletics. These criteria are good measures of acceptable candidates and help to assure that recipients have a wide range of "service" that they provide to the profession of interscholastic athletics. Nominations should be submitted on an individual basis, not by a group or on behalf of constituent groups (conferences, affiliates, assemblies, committees, etc.).

The MHSCA Distinguished Service Award does not need to be awarded each year. This award should be bestowed only when the MHSCA Board of Directors committee decides that nominations warrant presentation of the award. This award may be given posthumously.

Why nominate a deserving candidate for the MHSCA Distinguished Service Awards:

- To recognize person who has positively impacted interscholastic athletics in a significant way;
- To recognize institutions for their affiliation with individuals who demonstrate the highest level of professionalism and commitment to interscholastic athletics;
- To confirm and honor a superior servant by his/her peers and colleagues;
- To celebrate individuals who epitomize the profession's highest standards for interscholastic sports;
- To focus attention on the exemplary, and by doing so to elevate the profession overall and establish a high standard of excellence in promoting, supporting or contributing to interscholastic athletics;
