Four years later, Jodi took over the young varsity volleyball program at Bedford and quickly made girls athletics a success at Bedford.

Manore never would have guessed she would go on to become not just the winningest

volleyball coach in the state, but the winningest coach in the country.

After eclipsing the 2,093-win mark during the 2019 season, in 35 years in charge at Bedford, Manore has 2,093 career wins and a .834 winning percentage (2,093-362-59).

the National High School Athletic Coaches Association.

Mike Jolly: The long-time teacher, coach and administrator has spent his entire adult life serving school, church and the athletic community.

Jolly began his coaching career in basketball and football at Mount Clemens shortly after his graduation from the school in 1960.

July Newsletter from the

Greetings NHSACA Board Members: We are past the half way point of July and most of us are experiencing very hot, humid and windy days this summer. It seems as we get older the extremes of weather are more challenging. You young members will understand this once you hit 60.

Our Executive Committee met this past Tuesday, July 21, via Zoom and covered many agenda items. I will be sending the meeting minutes out to the board once the Committee is able to review and approve the minutes. I would like to share some of the exciting discussions we had during our meeting.

Each of our six Standing Committees and Ad Hoc committee met via Zoom and sent reports to the Committee to review during the meeting. What a great thing our Standing Committees did. This really is a new action taken within the NHSACA outside of our convention week. While we have had occasional meetings of a committee in the past, never have we had all six Standing Committee meetings take the time to meet and work for the NHSACA outside of the convention. Thank you, committees, and the members who could attend their meetings. I encourage all committee mem-

bers to find a way to attend your next Zoom committee meeting. It will be a great experience and provide invaluable support to our Association. This leads into my next discussion which was related to our committee reports.

It is the vision of the Executive Committee for our Board to complete work year-round for the association through our committees. With the growth of Zoom and Microsoft Team meetings across society, we have new opportunities to meet the needs of NHSACA outside of the convention setting and grow our Association. For those of you who have not embraced "Zoom" meetings, I would encourage you to reach out to your fellow board members to learn about Zoom. You will be surprised at how easy it is to participate. All you need is a computer with a camera and microphone. OR, you can even do it through your phone, iPad or some other type of notebook device. My Lions club has many members in their 70's and 80's who have easily joined our Zoom meetings and have definitely enjoyed the experience. Now, back to the year-round work. If we complete work for the NHSACA throughout the year we will be able to attend the summer convention free from the excessive work we go through each year. We will be able to attend sessions and activities more freely. We will be able to spend more time with our coaches who are attending the convention and have more time with our own families and board members.

The Executive Committee feels this would be fantastic for our Board Members. I am also happy to report that the NHSACA Past Presidents completed their "First-Ever" Zoom meeting a few weeks ago. We had

twelve past presidents who were able to attend and expect fifteen to twenty at our next meeting on August 4th. Thanks to Virg for providing the leadership we needed to do this. This was a great way for us to catch up with each other and enjoy the fellowship of each other's company.

I can also report that the Executive Committee and myself agreed to terms for my 2020-21 contract. I am beginning my eighth year serving as your executive director and as you all know, I couldn't do it without Danell. We love all of the people of NHSACA and were really disappointed we wouldn't be able to spend time with each other this summer. The contract remained exactly the same as the current contract and as long as Danell and I continue to serve the NHSACA we will not request an increase in salary. There are definitely some challenging responsibilities and situations in our positions (Danell is officially the Executive Administrative Assistant), our Association is so important and touches so many lives that the positives FAR outweigh any challenges.

In closing, please keep yourself and loved ones safe. Avoid risky gatherings and events, and if you feel you must attend, wear a mask and distance yourself as much as possible. It has been reported that the clear majority of infections happen during family gatherings. We all love our family, but we don't necessarily know where they have been and who they have been in contact with, so unfortunately, we can't completely trust that we will

be safe around them. I am looking forward to our 2020-21 year, especially our 2021 convention when all of us will gather

Yours in Coaching, Dave Dave Dougherty Executive Director NHSACA

Michigan High School Coaches Association Distinguished Service Award is one of our highest awards for services and contributions to sports in the state of Michigan.

The MHSCA Distinguished Service Award:

MHSCA recognizes individuals and organizations who have provided extraordinary service to educational athletics, the advancement student athletes, coaches, or those who serve interscholastic athletics through its Distinguished Service Awards.

The Distinguished Service Award (DSA) is given to a person (or persons), either volunteer or staff, who have exhibited valuable professional service (within the MHSCA or among its association membership) including academically, supportive, service, or assistance distinction at any level of interscholastic athletics. These criteria are good measures of acceptable candidates and help to assure that recipients have a wide range of "service" that they provide to the profession of interscholastic athletics. Nominations should be submitted on an individual basis, not by a group or on behalf of constituent groups (conferences, affiliates, assemblies, committees, etc.).

The MHSCA Distinguished Service Award does not need to be awarded each year. This award should be bestowed only when the MHSCA Board of Directors committee decides that nominations warrant presentation of the award. This award may be given posthumously.

Why nominate a deserving candidate for the MHSCA Distinguished Service Awards:
