BCAM

WHAT IS BCAM?

January 2020

The Basketball Coaches Association of Michigan was incorporated in the summer of 1976. The purpose of BCAM was for the betterment of basketball in the state of Michigan. Forty-two years later, BCAM has shown that it is the voice of basketball in Michigan. BCAM has also gained respectability nationwide by being a leader in clinics, academic awards, scholarship programs, websites, awards for players and coaches, official – coach relationships, and as a policy setter for national concerns.

Our **Mission Statement** (1990) sums up what we are about and what direction we want to go. The statement reads as follows: "As a united body, BCAM exists to represent and serve basketball coaches for the betterment of our great game!"

We speak for and represent all basketball coaches in Michigan. Never before has an association tried to unite junior high, senior high and college men and women coaches. BCAM now has over 5650 members including over 500 lifetime members. In 1998, BCAM applied for and received federal tax-exempt status under 501 (c)(3) of the Internal Revenue Code.

The highlight of the year is the **BCAM Fall Clinic / Hall of Fame Banquet** (1984) held in the fall of each year. The clinic draws from 800-900 coaches and the Hall of Fame Banquet averages between 250-400 people annually. The clinic is a chance for coaches to learn from the top college and high school clinicians from around the country. Our **Hall of Fame** honors four coaches annually. These coaches are selected for their years of service, coaching record and outstanding accomplishments in coaching and community service. BCAM also honors up to twelve individuals who have been supportive of basketball even though they are not varsity coaches. Our **Hall of Honor** (1992) falls into four categories: Media, Friends of Basketball, Officials, and Assistant Coaches. Our Hall of Honor has created much interest since it honors hard working people who usually go unnoticed.

The Tom Hursey Distinguished Service

Award (1994) honors individuals who have served BCAM in an outstanding manner over many years.

BCAM believes that one of our main purposes is to honor our member coaches. We do this by having the membership nominate **regional and state coaches of the year** (1976). These coaches are also honored at the Hall of Fame Banquet. Boys and girls coaches are nominated for national honors (1976) sponsored by national coaches associations. Other coaching honors include: **men and women college coaches of the year** (1992) and **Century Club Awards** (1983) given to coaches who have 100, or multiples of 100, victories.

The top individual award a high school basketball player can receive is our **Mr. Basketball** (1981) and **Miss Basketball** (1981) award given to the outstanding senior boy & girl player each year. These awards are sponsored by the United Dairy Industry of MI. Michigan has a tremendous roster of former Mr. and Miss Basketball players of which we are very proud. **Retro Mr. Basketball** (2010) was started to honor those top players that preceded the start of our present Mr. Basketball award. A committee has been choosing those pre-1981 boys who would have been deemed Mr. Basketball if the award was presented at that time. The beautiful trophies are on display at the Crisler Center (University of Michigan) and the Breslin Center (MSU).

The **Top 100 Sportsmanship Award** (2010) was added. This program honored the top 100 girls' basketball schools and top 100 boys' basketball schools based on good sportsmanship during the regular season (schools must have a varsity coach as a BCAM member). Basketball officials will use the MHSAA Feedback System that will evaluate sportsmanship of players, coaches, fans and administration. The top 100 girls' and 100 boys' schools will receive a

banner honoring them at the beginning of the next season. **This program was eliminated** in 2019, due to the lack of consistent official ratings statewide.

In an effort to promote teamwork, BCAM has begun a **Team First Award** (2017). The award will be given to one player on every varsity team that exhibits a "team first" attitude. That player puts his/her team before themselves with teamwork, commitment, service and sacrifice.

Another new feature that BCAM has instituted is our **"Year in Review"** (2011) **booklet** that is mailed to all our members. It is an accumulation of all our awards that were given out in the previous school year.

A **mentoring program** (2003) has been developed by BCAM to help new coaches deal with the many concerns that they must face. Experienced coaches will be serving as mentors to younger coaches. It is BCAM's hope that this program will encourage young coaches to stay in the profession. We are in the process of producing a document for first year coaches.

The **Coaches Assist Program** (2009) is financial assist program is available for BCAM members who find themselves in a catastrophic financial situation. If a BCAM member is facing financial hardships due to events beyond their control, there is a fund available to help this member.

Note: Years in parenthesis indicate year program started.

October Newsletter from the

Wow, October is here already. We are in the middle of our semester and athletic seasons.

Before long, we will be involved in all our state contests. Boy does time go by fast!

In our NHSACA organization, the executive board has met several times on Zoom.

Rocky and Dave are busy making plans for the 2023 National Conference in Lincoln, NE. Dave Dougherty has signed his contract for this year.

We have had discussions about newsletters, Coach and AD Magazine, podcasts, and an online professional development course for college credit. We still have some transitions taking place on the board, so nothing else to report on yet.

The COTY state rosters are coming due, and we should have nominees beginning to complete their forms.

Our sport chairs are currently looking for Sport Sponsors. On a personal note, I have to share that this year has been moving quickly.

I have been working with my doctors to improve my eyesight. My college classes have been going great. Most recently, I have been able to live the dream again by volunteering in the press box for a South Dakota High School football team.

The exciting part is that I am working with the head coach I worked with for over twenty-five years.

Boy, has it brought back tons of great memories and the chill

of the Friday Night Lights and Kenny Chesney's song "Boys of Fall." The absolute best part of helping is seeing the student athletes come together and play as a team.

Seeing them respect one another puts a warm feeling in my heart.

I'll leave you with some food for thought by two examples of letters that are very different in nature.

First:
Dear Coach,
I just wanted to take this opportunity to tell you that you have been the most influential person in my life.

I have realized that what you were teaching me was

not just how to be a better player, but also how to be a better person.

I find myself applying the lessons I learned from you everyday whether it's at work or at home with my family, and that means more to me than words could ever express.

You were also there for me during some of the toughest times I've ever gone through and if it hadn't been for your guidance, I wouldn't be who I am today.

It's been years since I've worn our team uniform, but it still doesn't feel right to call you anything except Coach.

So, I just wanted to say thanks, Coach, for everything you've done for me on and off the field. I know life isn't always about winning, but how I've "played the game" and

the effort I've given.
Your Former Player

Second:
Attention Coach,
It seems that I must contact you
yet again about your win/loss
record.

Last year's performance was
unacceptable, and this season
appears to be starting out the
same way.

In addition, I continue to have our
same prominent community

members (some of which are
also parents of players on
your team) and most of our
fans insisting that you abide
by the position changes we've
previously discussed.

Furthermore, our top financial
supporters are threatening to
pull out if things don't change
immediately.
It is not good business for
them if community
members, parents, and fans
are not happy. We can't have
these people upset.

This is a reminder that you
need to do whatever it
takes to win.
Sincerely,
Your Boss

Should teams be built like
a business when a coach's
business is to build
teams?
Winning IS important, but
should it be an "all cost"
mentality?

What are the costs if it is?

Which records do YOU
keep?

The tallies underneath
your 'W' column or the
roster of lives you
impacted?

Please help us by forwarding as much of the following information as you are able to Jim Okler at [MHSca1954 @ gmail.com](mailto:MHSca1954@gmail.com).

1. The school/s at which they coached.
2. The sports coached. The years they coached.

The MHSCA will share, when possible, the information with our membership on a regular basis. We hope this memorial tribute will be a meaningful way to help us remember, grieve and celebrate the lives of those coaches lost from our ranks. CAMP INSURANCE

Today, most Coaches are involved in some type of sports camp. Please note that our General Liability Program follows insured members while working at camps and/or conducting their own personal camp.

In addition, Participant/Accident Coverage is required for coaches and/or participants. Should an accident occur during a camp, clinic or event, this secondary coverage helps offset the loss suffered by families affected by such accidents.

NEW PROCEDURE FOR CAMP INSURANCE

As a member benefit of your state coaches association, all members in good standing have a \$1,000,000 per occurrence General Liability policy limit that provides coverage for their coaching activities. In order to protect the General Liability policy from potential claims, the insurance company has mandated that all coaches must obtain signed waivers and provide Participant/Accident insurance for their participants.

In order to obtain a certificate of insurance showing proof of insurance or naming an additional insured, the following must be in place:

- ❖ **Waivers:** Signed waivers showing indemnification language
- ❖ **Participant/Accident Insurance:** You must have Participant/Accident coverage in place for all participants attending sports camps.

Coaching Recognition

The candidate must have distinguished himself/herself with good coaching ethics and promoted good sportsmanship throughout his/her coaching career.

*The AD or principal's signature confirms this.

Ten (10) years of coaching outside of Michigan may be applied to the application. Coaching at any level may be applied as long as it is a school sponsored interscholastic sport.

To receive a general coaching certificate the candidate must have been coaching at least one sport per year at any level for the requested number of years.

To receive specific certificates for a single sport the candidate must qualify for the specified number of years in that sport.

This can be at any level. You cannot however count more than one level or season for a sport in any one year.

For example, coaching both

boys and girls basketball during the same school year counts as "1" year; coaching both 7th grade boys and JV boys during the same school year counts as "1" year.

Up to three (3) years may be included for active duty military service which delayed or interrupted an applicant's coaching career.

Awards for 30 years and more (plaque) will have the sports that the candidate coached listed on the plaque.

The coach will be presented only one award for each level of service after 30 years.
